

Dear FCC representative:

I am writing to inform you how beneficial it is in my area to be able to receive K-LOVE. K-LOVE provides safe and encouraging music for my whole family. I know that our family as well as many in our community would be very disappointed if we were unable to receive K-LOVE in our area, because it provides a type of programming that was unavailable in our area until the last two years. I certainly believe that K-LOVE is in the public's interest, and would not like to see it displaced.
